# UNIVERSITY OF BARCELONA

<https://www.ub.edu/web/portal/en/>

The University of Barcelona (in Catalan, *Universitat de Barcelona*, "UB") is a Spanish public university based in the city of Barcelona. Currently, its faculties are distributed in different parts of the city.

The IDENTITIES Summer School will take place in the Faculty of Education of our university, located at the **Campus Mundet**.

All its teaching, research, and service facilities have been entirely designed to provide them with the communication systems necessary for a fully satisfactory university activity. Located within the Mundet site, it occupies 14.21 hectares, 6 of which are forest. Its immediate surroundings, the Collserola mountain range, and the large areas of interior gardens make it a privileged space.

Throughout these days we will have the opportunity to meet and work in different spaces of this faculty.

## HOW TO ARRIVE FROM THE AIRPORT TO THE AGORA RESIDENCE?

If you are arriving at Barcelona from the Airport (Josep Tarradellas Barcelona-El Prat), and you need to get to the AGORA Residence, you have different options:

To buy tickets, click [here](#) 

### AEROBUS + METRO

You can take the "AEROBUS" (blue bus) that leaves every 5 minutes from the airport (T1 and T2) to "Plaza Catalunya". There, you may go to the metro station and take Line 3 (L3-green: direction Trinitat Nova) to the MUNDET station and walk to the residence (about 8 minutes).

### TRAIN + METRO

From Terminal 2 (T2) you can take the "R2 Nord" train to "Passeig de Gràcia" station and from there take the metro Line 3 (L3-green: direction Trinitat Nova) to MUNDET station and from there walk to the residence (about 8 minutes).

### TAXI

Taxis are always available at the airport (T1 or T2). The price is about 35€-45€. This is a good option if you share with other participants going to the AGORA residence.

### METRO

To take the metro in Barcelona we recommend you buy the "T-Casual" card, which allows you to make up to 10 trips. This is a personal, non-transferable card that is cheaper than buying single tickets. You can find more information about this at <https://www.tmb.cat/en/barcelona-fares-metro-bus>
